

Egg Drop Make-up Assignment

Part I:

Read. P. 362-366 Answer textbook questions 1-2 (p. 363) and 1-6 (p.366). This can be done with the online textbook.

Part II:

Using 10 sheets of paper and 3 ft of masking tape. Create some type of landing pad- in which to catch a raw egg. Drop the egg from increasing heights- and record your top height from which the egg drops and does not crack. Get a signature from your parent on your top drop.
