## Music Vision

### 1. Clear & Shared Focus (Value)

*Music is a core academic discipline with its own body of knowledge, skills and ways of thinking and should be an integral part of basic education.*

### 2. High Standards and Expectations

*Music education inspires excellence and promotes personal enrichment.*

### 3. High Levels of Collaboration & Communication

*Music educators establish growth and development in music by providing a nucleus of musical life for the larger community.*

### 4. Curriculum, Instruction & Assessment Aligned with Standards

*Music education from preschool through 12th grade should be provided in a balanced, sequential program that is based on the National Standards.*

### 5. Focused Professional Development

*Music educators mutually encourage one another in professional growth and attainment.*

### 6. Supportive Learning Environment

*Music educates the whole person in a protective, supportive learning environment.*

### 7. High Levels of Community & Parent Involvement

*Music is a part of the human experience and, as such, plays a central role in human culture. It is a universal language that enriches the lives of all it touches.*
