

**PENINSULA SCHOOL DISTRICT**  
**Job Description**

**PARAEDUCATOR – SELF-CONTAINED BEHAVIOR CLASSROOM**

**JOB SUMMARY:**

This position assists a certificated teacher or other staff member with instructional and behavioral intervention activities for students in the classroom. Responsibilities include tutoring students, correcting classroom work, intervening on student behavior, and preparing classroom materials. Depending upon individual assignment, duties may also include clerical work such as typing and duplicating materials, providing basic first aid, or supervising students on the playground.

**DUTIES AND RESPONSIBILITIES:**

1. Works with students individually or in small groups in a variety of learning activities assigned by the teacher; promotes student understanding of materials presented. Reinforces and reviews concepts and skills. Adjusts tasks to suit needs of students if necessary depending upon individual education plans.
2. Acts as a role model to demonstrate appropriate behavior to students; assists teacher in maintaining a classroom atmosphere conducive to learning.
3. Assists teacher in behavioral interventions with student behavior and disciplines students as authorized; may physically restrain students.
4. May attend classes with students who are mainstreamed; monitors behavior of mainstream students and assists with classroom management. Ensures mainstream student's understanding of material presented.
5. Collects, reviews, and records student assignments. Assists students with research for assignments; returns assignments and tests; provides feedback. Assists teacher in maintaining student records.
6. Types, duplicates, collates and distributes classroom materials and projects. May operate laminating equipment.
7. Assists teacher in maintaining classroom physical appearance, including creating posters, charts, and bulletin board displays.
8. Administers and scores diagnostic tests; gives oral exams to students. Assists in completing special program forms; assembles student materials for confidential files.
9. May enter data into a microcomputer and maintains various data bases. Utilizes data base information to prepare reports and lists.
10. May assist teacher to order and stock office and classroom supplies.
11. At elementary level, may supervise students on the playground during recess or lunch periods. Monitors behavior and maintains order. Ensures that children follow rules and regulations. Supervises safe use of playground equipment; alerts staff members concerning unsafe playground conditions.
12. May be called upon to provide basic first aid care to ill or injured students. Alerts school office staff if further action is needed.
13. Communicates with teacher concerning individual student progress or problems; assists teacher in developing individual education programs as requested; provides input for student progress reports. Assists with data collection and record keeping.

14. May be required to perform health services including, but not limited to, clean intermittent catheterization (CIC); gastrointestinal tube feeding using a pump or gravity; administration of oral medication by mouth, feeding tube, inhaler, or nebulizer; use of a magnet over a vagus nerve stimulator (VNS) to control seizures; oral suctioning using a bulb syringe or suction machine; provision of a cough-assist procedure; administration of emergency medication using an auto-injector; administration of oxygen; and ostomy care.
15. Performs related duties as assigned.

**REPORTING RELATIONSHIPS:**

Reports to Principal; receives work assignments from self-contained classroom teacher or classroom teacher.

**WORKING CONDITIONS:**

Experiences frequent interruptions; clerical work requires dexterity and precision. Requires flexibility due to frequent shifts in focus between assignments. Regularly required to deal with angry or upset students. Exposed to infectious diseases carried by students. If elementary assignment, may be required to work outdoors in inclement weather. May restrain students if necessary; constantly monitors behavior of students.
