

## PSD TOPIC OUTLINE / MIDDLE SCHOOL SCIENCE

EALR 1 GLEs		K	1	2	3	4	5	6	7	8	9	10	11	12
<b>Physical</b>	Properties													
	Motion													
	Waves													
	Energy													
	Energy Transfer													
	Matter													
	Force													
	Forces & Motion													
	Conservation													
<b>Earth/Space</b>	Systems													
	Earth Materials													
	Earth System													
	Solar System													
	Earth Processes													
	Earth Evolution													
	Hydrosphere/Atmosphere													
	Interactions Solar System													
<b>Living Systems</b>	Classify Living Things													
	Living Systems													
	Molecular Heredity													
	Human Biology													
	Life Processes													
	Biological Evolution													
	Independence of Life
